RE: Upcoming Construction & Road Closure

Dear City of Atlanta Customer:

The Department of Watershed Management will soon begin repair work in your neighborhood, resulting in a temporary road closure. Consequently, **Howell Mill Road NW will be closed to through traffic between Wesley Drive NW and Peachtree Battle Avenue.** Construction is scheduled to begin on **October 8, 2018 and last approximately two (2) weeks.** The road will be closed until the work is completed.

Signs will be posted to guide motorists around the construction zone. If you park your vehicle on the street, it may be necessary for you to find alternative parking while this work takes place. Arrangements will be made to ensure access to residents, mail and package delivery, emergency services and trash pick-up.

If you are traveling North on Howell Mill Road NW, traffic will be re-routed onto Woodley Drive NW, turn right at Woodley to Wesley Drive NW, make the right onto Wesley to Northside Drive NW, make the left onto Northside to Peachtree Battle Avenue, turn left at Peachtree Battle back to Howell Mill Road NW and make the right onto Howell Mill.

Traveling Southbound on Howell Mill Road NW, make a left at Peachtree Battle Avenue to Northside Drive NW, make the right at Northside to Wesley Drive NW, turn right onto Wesley to Woodley Drive NW, turn left at Woodley Drive back to Howell Mill Road NW and make the left onto Howell Mill.

This work is a key part of our capital improvement plan to ensure clean, safe drinking water for Atlantans and our downstream neighbors. All Contractor and City personnel working on the project are required to wear the appropriate identification badges.

If you have any questions, you may contact me at (404) 546-3361 Office; (404) 314-8591 Mobile or [jbarnes@atlantaga.gov](mailto:jbarnes@atlantaga.gov). For information on Clean Water Atlanta, please visit <http://www.atlantawatershed.org/cleanwateratlanta> or our Facebook, Twitter, Instagram and YouTube pages @ATLWatershed.

Thank you for your patience as we work to improve Atlanta's sewer and storm drain system.

Sincerely,

Joy C. Barnes  
Public Information Manager
