RE: Upcoming Construction & Road Closure

Dear City of Atlanta Customer:

The Department of Watershed Management will soon begin cleaning and lining rehabilitation of the sewer line on Howell Mill Road NW as part of the Peachtree Creek Trunk Stabilization project, resulting in a temporary road closure. **A portion of Howell Mill Road NW will be closed to through traffic between Peachtree Battle Avenue NW and Woodley Drive NW** until the work is completed. Construction is scheduled to begin on or about **March 11, 2019** and last approximately **four (4) weeks**.

Signs will be posted to guide motorists around the construction zone. If you park your vehicle on the street, it may be necessary for you to find alternative parking while this work takes place. Arrangements will be made to ensure access to residents, mail and package delivery, emergency services and trash pick-up.

If you are traveling southbound on Howell Mill Road NW, turn left onto Peachtree Battle Avenue NW, then right onto Northside Drive NW, right onto Wesley Drive NW, left onto Woodley Drive NW and left back onto Howell Mill Road NW.

If you are traveling northbound on Howell Mill Road NW turn right onto Woodley Drive NW, then right onto Wesley Drive NW, left onto Northside Drive NW, left onto Peachtree Battle Avenue NW. and right onto Howell Mill Road NW.

This work is a key part of our capital improvement plan to ensure clean, safe drinking water for Atlantans and our downstream neighbors. All Contractor and City personnel working on the project are required to wear the appropriate identification badges.

If you have any questions, you may contact me at (404) 546-3361 Office; (404) 314-8591 Mobile or [jbarnes@atlantaga.gov](mailto:jbarnes@atlantaga.gov). For information on Clean Water Atlanta, please visit <http://www.atlantawatershed.org/cleanwateratlanta> or our Facebook, Twitter, Instagram and YouTube pages @ATLWatershed.

Thank you for your patience as we work to improve Atlanta's sewer and storm drain system.

Sincerely,

Joy C. Barnes  
Public Information Manager
