Dear Resident,

Hope you're staying safe and well. This letter is a follow up to the March 19, 2020 correspondence notifying residents on Wesley Drive and Woodward Way of an impending road closure associated with the Atlanta Memorial Park sidewalk improvements project.

Crews are scheduled to begin that tree removal work on Tuesday, April 21. To accommodate the work, intermittent road closures and detours will take place on Wesley Drive between Radar Drive NW and Wellesley Drive NW and on Woodward Way between Peachtree Battle Avenue NW and Oldfield Road NW. Weather permitting and with no unforeseen circumstances, the tree removal should be completed within 2-3 days.

Closure and detour signs will be placed in the project areas by 8:00 a.m. on Tuesday. We ask that pedestrians, cyclists and motorists observe closure restrictions, pay close attention to "caution" and "detour" signs, and watch out for construction personnel in the area.

We appreciate your patience and cooperation as we work diligently to complete these vital infrastructure improvements that positively impact the safety and mobility of users as they traverse the City of Atlanta.
