Construction Update for Oldfield Outfall Sewer Improvements

Dear City of Atlanta Customer:

As part of the Department of Watershed Management's Oldfield Outfall Sewer Improvements Project, the sewer pipe was fully installed this week, bringing us to 93% total work completed to date.

Completed Work

- 93% work complete
- Sewer pipe fully installed
- 12 manhole installations to assist with sewer flow
- Storm pipe repair complete at 749 Woodward Way
- Emergency pavement repair near 633 Woodward Way
- Pavement restoration complete near the intersection of Woodward Way and Northside Drive NW

Upcoming Work

- Removal of aerial sewer which is above ground and passes over the nearby creek
- Pavement restoration
- Creek embankment restoration
- Curb repairs

Project Completion

Anticipated project completion date is set for end of September, weather permitting.

We appreciate your cooperation, this work is a key part of our capital improvement plan to ensure clean, safe drinking water for Atlantans and our downstream neighbors.

If you would like to be added to the project distribution list to receive future updates, please email me directly at amuraida@atlantaga.gov. Learn more about the project by visiting, <http://bit.ly/AtlantaDWMOldfieldSewer>.
