VIRTUAL COMMUNITY MEETING

Woodward Way Pump Station Improvements Project
Community Update

Tuesday, April 13, 2021
6:30 p.m. - 7:30 p.m.

Please join the City of Atlanta Department of Watershed Management (DWM) for a virtual community meeting via Zoom to discuss updates regarding the Woodward Way Pump Station Improvements project.

Click the link to register for the virtual community meeting:
https://atlantaga.gov.zoom.us/meeting/register/tZ0kf-usqDgoHfZqDw7Z70Q82dep7UkZz_Fn

After registering, you will receive a confirmation email with instructions on how to join the meeting. **For more information contact Public Information Officer Kinesia Cato at 678-387-9878 or via email at kcato@atlantaga.gov.**

The City of Atlanta owns and operates Woodward Way Pump Station No.1 (PS-01) that will be upsized to handle larger flows. The project includes replacing the existing PS-01 with a larger pump station. The upsizing is required due to the replacement of Northside Drive Bridge over Peachtree Creek by the Georgia Department of Transportation.
