

2022 has been an exciting year for the park and for the Atlanta Memorial Park Conservancy (AMPC)! In August, neighbors came together for *Memorial in Motion*, a belated celebration marking AMPC's 10-year anniversary and a thank-you to all of the surrounding neighbors and AMPC members for their support over the last 10 years. A fun time was had by all!

Why is my support important?

What's next?

In 2023, AMPC will embark on a new master plan for the park that will serve as its guiding star for the next five years. With your feedback, we will continue our focus on improving the **watershed, connectivity, and greenspace** within the park while maintaining the significant improvements already made. AMPC's work with its partners, neighboring civic associations, and volunteers will continue to keep Atlanta Memorial Park a beautiful, connected, sustainable greenspace to be enjoyed by all.
